Barrington Road Pavement Repairs Begin Sept. 29

CHICAGO - The Illinois Department of Transportation (IDOT) announced that pavement repairs on Barrington Road between U.S. 20 and Schaumburg Road in Bartlett and Streamwood will begin, weather permitting, on Sept. 29.

In order to complete the work, motorists can expect daily lane closures with flaggers at various locations once construction begins.

The anticipated completion date for this project is June 30, 2015.

Plote Construction Inc., of Hoffman Estates, is the prime contractor on the \$1.6 million project.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.

Find details on other construction projects in IDOT's District 1 at <http://goo.gl/upgvZu>.
Updates on the impacts to traffic are available at www.travelmidwest.com.
